freegal music

Freegal Music requires no software as it is all web based. The only requirement would be the latest release of your favorite browser (IE, Safari, Chrome or Firefox) and the Adobe Flash Player. Since some times you can't have the latest and greatest, below are our minimum requirements.

*Browsers Supported

Safari versions

5.1.10 and up

Chrome versions

15 and up (any version starting with 15 will auto update to the latest)

Firefox versions
