

Amazon Kindle Fire Step by Step

To utilize the Cloud Library e-book service an App must be loaded onto the Kindle Fire. Depending on the type of Fire the process for loading the App will be different.

Section 1 Preparing the Kindle for App Installation:

1. You must allow 3rd party Apps to be downloaded and installed to the Fire.

Kindle Fire HD and HDX users:

1. From the Home Screen tap Apps

2. Tap the Settings Icon:

3. Tap Application from the menu:

Amazon Kindle Fire Step by Step

4. Turn on Apps from Unknown Sources. You will receive a warning when you turn this feature on. Tap OK.

5. Tap the Home button to return to the Home Screen. Now you are ready to install the Cloud Library App from the 3M Cloud Library website (Proceed to section 2 Installing the App of this handout)

Kindle Fire 5th Generation users

1. From the Home screen tap the settings icon:

2. From the settings menu tap the security option:

Amazon Kindle Fire Step by Step

Library website (Proceed to section 2 Installing the App of this handout)

Section 2 Installing and Using the App.

Once you have allowed 3rd Party Apps on your Kindle you can now download the Cloud Library App from the 3M cloud Library website.

- 1. Open the Silk Browser on your Kindle**
- 2. Navigate to: <http://www.3m.com/us/library/eBook/kindle.html>**
- 3. Scroll down to the bottom of the page and tap the Download App button.**
- 4. Tap Confirm to begin download.**
- 5. Tap the Open button when the download completes.**
- 6. Tap the Install button.**
- 7. After the App installs tap the Open button. The application should open and display an option to connect to a library.**
- 8. Tap the Connect to your library button.**
- 9. Navigate to the Pueblo City-County Library District by selecting Colorado and then Pueblo City City-County Library District from the menu.**
- 10. Accept the agreement, terms of use, and privacy policy by tapping the Accept button (at the top of the page).**

Amazon Kindle Fire Step by Step

A screenshot of the Amazon Kindle Fire app's legal disclaimer screen. At the top, there is a dark grey bar with a red 'Close' button on the left and a green 'Accept' button on the right. Below this bar, the text 'By accepting, you agree to the following:' is displayed in white on a black background. Underneath, there are three white rounded rectangular buttons with blue text: 'End User License Agreement', 'Terms of Use', and 'Privacy Policy'. The background of the screen is a light greyish-green.

11. Enter your PCCLD library card and PIN in the boxes and tap Log in.

A screenshot of the Amazon Kindle Fire app's login screen. At the top, a dark grey header bar contains the text 'US > Colorado > Pueblo City County Library District' in white. Below the header, the screen has a light greenish-grey background. There are two input fields: the first is labeled 'Enter Your Library Card ID' and contains the text 'Library Card ID'; the second is labeled 'Enter Your Pin/Password' and contains the text 'PIN/Password'. At the bottom of the screen, there is a large green rounded rectangular button with the text 'Log in' in white.

12. You are now ready to select a book for checkout.

Section 3: Using the App to Read

After logging into the app with your library card and PIN you should see the page below displayed.

Amazon Kindle Fire Step by Step

Search Feature: Allows you to enter Title, Author Name, or Keyword to search for books.

Browse: Allows you to browse the collection by type of book, subject, or genre.

My Books: After checkout your books will display in this area. Click on the My Books option to view and read what you have checked out.

To checkout a book either tap the search feature or the Browse option from the above menu. If searching please enter search terms and tap submit.

Amazon Kindle Fire Step by Step

If browsing use the filtering options to narrow down your selections. You can filter results by type of book (Fiction, Nonfiction, etc.). Then by genre or subject.

To checkout or place a hold on the book by tapping on the cover.

Amazon Kindle Fire Step by Step

Once a book has been checked out it will appear in you're My Books area of the App. Tap on the cover to download and open the book.
