These series are on this list since they are written by multiple authors and otherwise would not be shelved together.

Please note that items from DC, Marvel, Dark Horse and other comics are being cataloged and shelved under the main character or group name (ex. Batman, Captain America, Green Arrow, Green Lantern, Iron Man, Suicide Squad, Superman, Thor, Wonder Woman, X-Men), but may not be on this list since there are too many characters to track.

Disney Change: Disney items will no longer be cataloged under Disney since too many were shelved together under that classification. The new break out is as follows:

- Fairies = Disney Fairies including Tink
- Princess = Disney Princess
- Mickey = Disney Mickey Mouse/Mickey Mouse Club
- Winnie = Disney Winnie the Pooh

Other Disney, Lego, Pixar, Nickelodeon, Cartoon Network, and other major picture or television production items will also follow the above rules of being cataloged under the title or main character. Examples of this include:

- Frozen (JE FROZ)
- Legends of Chima (J LEGE)
- Minions (JE MINI)
- Never Girls (J NEVE)
- Nexo Knights (J NEXO)
- Winnie the Pooh (JE WINN)
