Pueblo County United Way at PO Box 11566, Pueblo, CO 81001.

2. Designations to Pueblo County United Way member agencies go towards United Way funded program costs.
3. Section F is optional. Should you choose to designate your gift, the cost of processing designated gifts requires a minimum gift of \$52/year per agency.
4. If you would like United Way to forward your name to the agency you designate, please check the appropriate box. Our donor list is confidential and United Way will not release your name to agencies for acknowledgement unless you authorize it.
5. In order to insure that your gift is tax deductible under the rules of the IRS, Pueblo County United Way must receive documentation from any agency receiving designations that it has 501(C)3 status. Should it be determined that the agency does not qualify, OR your gift is below the accepted minimum, OR does not offer program services in line with the Pueblo County United Way mission and policies, your gift will be treated as non-designated and will be distributed by United Way volunteers to the United Way member agencies.
