

Your Student Section

Student One-Stop

Whether you're planning for college, exploring career paths, or thinking about the military, we've got you covered with reliable and practical resources to help you along your educational path and beyond.

Features:

- ✓ Pathway Overviews: Explore setting out on your own with different opportunities in education, career and the military
- ✓ Life Skills and Readiness: Explore employment projections, job outlooks by State, training and other opportunities
- ✓ College Application Tracker Template and Common App links
- ✓ Financial Guidance: Access and manage your financial aid, explore scholarships, fellowships, grants and other award opportunities
- ✓ CareerOneStop: Your source for career exploration, training and jobs.
- ✓ File Section: personal area for storing documents to help you stay focused and organized.

The Student One-Stop is accessible through ProfileEAP.org website in partnership with LifeExpert. Create your personal account or log in with your company code **available at your HR Dept. or call Profile EAP at 800-645-6571..** You will find the site under the Education and Learning tab at the top of the page.
