

### Happening in March

You can visit [Statistics in Schools](#) and find resources on topics trending in March. Learn interesting facts about Irish-American Heritage Month or celebrate Alexander Graham Bell's birthday with a lesson on telephones.

#### Irish-American Heritage Month (St. Patrick's Day) Did you know...

- there are **30.4 million** U.S. residents who claim Irish ancestry
  - **111,886** foreign-born U.S. residents who reported Ireland as their birthplace
- Click on the image for activities.

#### National Landline Telephone Day

March 10 is National Landline Telephone Day. Start a conversation with students about the first U.S. patent holder for the telephone, Alexander Graham Bell. Use the school activities to teach students about the invention of the telephone, its impact, and how phones have changed. Learn more [here](#).

#### American Red Cross Month

The U.S. Census Bureau provides real-time access to a range of detailed data about the people living and working in areas being affected by hurricanes, floods, wildfires, winter storms, and federal disaster declaration areas. Additional statistics and information can be found [here](#).

#### Census Data Informational Sessions

The Denver/Dallas Region is conducting a series of Data Sessions, where partners can learn how to access data from the census website and learn about the various surveys that the U.S. Census Bureau conducts throughout the year. Sessions are focused on various topics such as local governments, media, congressional, and Tribal.

If you're interested in attending or would like to learn more, please contact the Dallas RCC Partnership main line at **972-510-1530** or email the team at [Dallas.rcc.partnership@2020census.gov](mailto:Dallas.rcc.partnership@2020census.gov).

#### We're Still Hiring

Field Representatives/Interviewers are needed to collect data for Census Bureau surveys. Positions include flexible hours and mileage reimbursement. To apply, contact the Denver Regional Office at **877-474-5226** or email [Denver.RecrUIT@census.gov](mailto:Denver.RecrUIT@census.gov). Learn more about this position and others [here](#).
