Every Fridays **between 11 a.m. and 1 p.m.** through June 30, 2021, children can receive 14 meals (7 breakfasts and 7 lunches). White milk will be distributed in half-gallon portions and while available, additional fruits and vegetables will be offered in bulk format to elementary-aged children. All meals are offered on a first come first serve basis and are tailored for curbside pickup to be prepared at home. **There will be no distribution on March 26th due to Spring break, but additional food will be distributed March 19th to cover that week.**

All meals will meet or exceed the USDA nutritional requirements, with the USDA's Summer Food Service Program funding the meal distribution.

Children do not have to be present to receive meals, anyone can pick up for them if guardians are not available to do so.

Those who drive to a distribution site are asked to remain in their vehicle, as the meals will be passed through the window, based on the number of recipient children. Meals cannot be consumed on site.
