Thank You Reading Pays,

I am so very thankful for your generous donation of \$100!

With your kindness I now have \$100 just for reading. I am so very thankful for your kindness. With the \$100 that I received I am going to use it for college, because of your generosity I now can have a better college experience. Some people think \$100 can't take you too far but \$100 can get me good school supplies. I know that doesn't matter but I can use it a lot more ways in college and I can't wait.

My favorite book that I have ever read is probably Harry Potter and the Goblet of fire. My favorite part of the book is probably when Cedric Diggorry dies and Voldemort comes back. I like when that happens because the books start to get more interesting when Voldamort comes back. I know that I am only on Harry Potter and the Order of the Phoenix, but every time I finish a book I can't stop reading the next one.

Dear PCCLD Library

I am writing this thank you letter for being kind and generous for sharing the \$100.00 dollars with our school. I am very thankful for your generosity. I am planning to spend it on books for myself because this program made me want to read more. I also would like to thank you for letting me borrow your books. I am very happy that I can get books when needed from you. Something else I would like to thank you for is being kind and helpful to those who come into the library. One last thing I like that you are willing to come to work everyday just so we are able to read.

Sincerely,

Skylar

Dear Reading Pays,

Thank you!

Thank you for the opportunity to get \$100 dollars. This meant so much to me. You helped me figure out a meaning in my life. You're helping a lot of different people and different charities. This helps people in need of money and a home, we would give our money to them to help them live a better life. This is why I am donating half of my money to the charity for homeless people who try to help their families in many ways. Thank you for this opportunity to help people in need. I've read lots of different books like picture books, chapter books, and most importantly Nonfiction books. My favorite book was Diary of an Awesome Friendly Kid.

Thanks a Billion,

Eva Chavez

Dear Reading Pays,

Thank, Thank, Thank you!

Thank you for investing in my education.

To be honest I haven't read since I was in second grade, but thanks to you I had a chance to get into it and when I took that chance I was so thrilled! So when I got to the Diary of a Wimpy Kid books it wasn't for the money, it was to read! They were all I wanted since I was six, they were funny, they are easy to read and action packed!

So thank you soooooo much for getting me into reading and the hundred bux to share with my two brothers. Thank you again for giving us a chance.

Sincerely,

Jeremiah Corda
