**Please answer the following questions :**

1. Why do you want to volunteer at the library and what do you hope to gain from this experience? Volunteering at the library gives me an opportunity to use my time to help the community find the information they need for work, school, or recreation, and since I use the library for school also, I know how nice it is to have someone help you. By volunteering, I hope to improve the way I interact with people.
2. Please list your hobbies, interests, clubs or other information you would like us to know about you:  
At school I participate in Cross Country, Track, and speech and Debate. On my down time I usually watch movies or read. I mostly read nonfiction, informational material but also some fiction works.
3. How do you use the library? (homework, information, recreational reading, etc.)?  
I use the library mostly for homework and research and occasionally recreational reading.
